**Max Schutler**

Max is familiar to fans of quality adult entertainment, as he costarred in "Grunts," which swept this year's GayVN Awards. Before he made this XXX epic, *Freshmen* photographed Max back home in Buenos Aires. Young and eager (and a burgeoning exhibitionist), Max leapt at the chance to unzip and show it all for los hombres Americanos. His English is still coming along, but his other skills translate into any language.

To see more of Max, don't miss the November issue of *Freshmen* (on sale October 21). Until then, check out his pictures from "Grunts" at [JustUsBoys.com/mag/102](http://JustUsBoys.com/mag/102)

# Quickies with **ANGEL BENTON** & **BRANDON BAKER**

talk back @ JustUsBoys.com/magazine

**BRANDON:** We get to talk about college this time. Right on. College boys are some of my favorite types of boys. It seems like only yesterday I was in college in New Orleans on Lake Pontchartrain and absolutely loving seeing the boys out on the field without shirts playing whatever games they played and turning that into porn in my own head. It was very distracting while I was trying to secure my place in academia. I never lived on campus, but often wished I did when I would hang out with friends in the dorms. It seemed like the walls just exuded hot sex all the time when I was there.

**ANGEL:** Surprise, surprise, I never went to college, nor do I really see the appeal of the whole "fraternity" life (not that I don't LOVE me some frat boy porn). The whole "hazing" thing just sounds like something I would NOT put up with.

**BRANDON:** ...put up with it? Man, I think I'd pay extra for it. Isn't hazing when you can't see stuff 'cause it's cloudy out? JUST KIDDING. Hazing is hot. I would have loved some of that locker room action after the boys were done playing a sweaty game of football.

**ANGEL:** Hazing doesn't always take place in a locker room, you know.

**Brandon:** I know, but I want it to. \*wink\*

**ANGEL:** Let's talk about our favorite guys on college themed websites. I am all about Lucas from CorbinFisher.com, Alan from Fratpad.com, Aaron James from College Dudes 24/7 and Shane Erickson from HotJocksNiceCocks.com, talk about hotness!

**BRANDON:** I can't learn enough about the boys that are in college and on rentboy.com. In fact, I like to think I am helping some through college. The collegiate guys on boys-pissing.com and undietwinks.com are a book's throw away from getting all my funds. I am going to need a dick-tionary to think of new words when I am done thinking about those studly boys.

**ANGEL:** You're just so clever aren't you? Didn't you start doing porn when you were in college? Oh wait, did they even have the Internet back when you were in college?

**BRANDON:** ...that's not even a college debate. You are a mess. Yes, they had internet. I went to school in New Orleans, not the moon... and another yes—I started my own porn life in college. It was so fun to spend time in a scene, bust a nut and then head back to classes. I learned stuff on set I didn't learn in school. I came out towards the end of college, and now I wish I would have come out earlier. College would have been a "hole" lot hotter.

## GOSSIP

**ANGEL:** Let's close with a little bit of gay porn gossip. Did you know that uber-hot daddy Tyler Saint married his longtime boyfriend here in California now that it is legal?

**BRANDON:** I don't want to write about that. I want to write about something scandalous.

**ANGEL:** OK....how about this heated debate going on in the industry right now over oral cum shots? How do you feel about that, since one of your prerequisites for potential suitors is that they swallow?

**BRANDON:** \*GASP!\* Angel! That is the worst kind of rumor...a true rumor.

# CLUB JEREMY HALL COM

Do you remember the first time you saw a real jock walking across campus, and you had to lower your books or

backpack in order to hide your visible excitement? You then found yourself heading to the campus stadium or arena at game time to watch him in all his athletic glory. Then you went back to your dorm room to take matters into your own hands, fantasizing about what it would be like to have your way with him. Sound familiar?

"According to Jeremy Hall, "real jocks fuck", and that fantasy now comes to life when you visit ClubJeremyHall.com. Former hockey player and athletic porn stud Jeremy Hall, who made his porn debut in 2004 at Falcon Studios and later worked with Jet Set, Titan Men, Studio 2000 and Rascal Video has gathered some of the hottest jocks around to appear on his site. Here you will find almost every jock fantasy you can imagine plus weekly live shows. "I started Club Jeremy Hall to celebrate the athletic competitive male and to prove that jocks have really hot sexual chemistry with each other. After all...Real Jocks Fuck!" That basically sums up what this site is all about...hot jocks fucking! So what are you waiting for? Pull out that old jockstrap of yours and get off by visiting Club Jeremy Hall. # Cody Springs

Watch His Video:  
[JustUsBoys.com/mag/114](http://JustUsBoys.com/mag/114)

AT 21 YEARS OF AGE, Cody Springs is a young man who knows what he wants and how to get it. Cody is half Hawaiian and half Native American – Cherokee. A native of California, Cody made his porn debut in 2007 by appearing on RandyBlue.com and was subsequently signed to an exclusive contract where he shot a total of ten scenes. With his contract complete, Cody has recently shot scenes for Naughty America and Evan Rivers. “The best thing about doing porn for me is the lifestyle and the fans! Sexually, I would have to say getting a BJ is my favorite thing, and my

turn off would have to be a lousy BJ. That really matters to me more than anything else sexual.”

Since Cody is a college student, we had to know the following:

If you joined a Fraternity, how would you like to be hazed? “By getting spanked over and over! And then of course a good BJ.”

If one of your pledges was really hot, how would you haze him? “I would make him my servant, so I could spend a lot of time with him.”

Where is the one place on campus you most want to have sex? “I really want to have sex in the weight room.”

What is the best part about being a college student today? “Well, for me it is having sex with my professor! Oh wait...is that legal?” (Big Laugh)

Describe your wildest college experience thus far? “One of my buddies decided to have a party and we got so drunk that we all started skinny dipping in the pool and the next thing you know everyone just started having sex. So much fun!”

We're sure that you'll agree, Cody Springs really is *the total package!* A self described free spirit, he is open to all that life has to offer and is looking forward to more work in front of the camera. “Outside of porn I am really into cars, working out, and just enjoying life to the fullest. Being selected to be on the cover of JustUsBoys is a huge honor for me.”

## FRATBOY.COM

Everyone likes a horny college guy, right? How would you like to watch them from the convenience of your computer or iPod? There is no need to register for classes, just tour the quad at Fratboy.com. When you're there, you'll find a whole series of what's really good about college, and the importance of higher education. There are plenty of pages featuring sample images, many with free clips for your viewing pleasure. The guys all look like your typical college dude: young, smooth, some facial hair and each with a cock mightier than the one before. It's just like going to the mall, and going into an Abercrombie & Fitch store. That's what you'll get

here, but without the clothes and much more action. Fratboy.com is so much better than an issue of the A&F catalog, so put down the books and log on to Fratboy.com. Check out the site where they feature those wonderfully delicious Abercrombie-esque models and where you can get your eyes full of those young, tight campus hunks, just like the good ole college days.

## COLLEGE BOY PHYSICALS

If you have a thing, big or small, for medical fantasies, then CollegeBoyPhysicals.com is the place for you. College Boy Physicals takes its name from the examination given to sweet, young college athletes by equally as sweet-looking doctors in latex gloves and white coats. This site features team players that are highly athletic and who sport nicely toned bodies. Watch as they get thoroughly checked by their physicians. You can't help but to notice the

boys really like it. Visit the site to watch the doctors examine these college studs internally as well as externally. The content is well made, you get plenty of options for downloading, and the scenarios are all as sexy as hell. So, let's go check in with the receptionist at college-boyphysicals.com. Only problem, you may need to have your blood pressure checked afterwards. This site should definitely come with a surgeon general's warning, as it may cause rapid heart rate, dizziness and fainting, and extreme muscle fatigue... in your arms and hands. Read the full review at [JustUsBoys.com/mag/117](http://JustUsBoys.com/mag/117)

Flava Works does it again! This time it's with Cocodorm.com. Here is a black and Latino gay porn site with all kinds of hot and sexy action from the colorful side of higher education. You'll find cams, chat, videos, interracial action and daily updates from the campus dorms. You'll also find a "load" of free stuff to view as well. The campus tour includes the "class" schedule for the upcoming week, so you can see when the live shows will be on and get the most out of your education. You get a great "package" of content when you join Cocodorm.com, including totally sexy college-aged guys performing way better than those horny theater majors. Even if you only view the 24-hours-a-day cameras in the "fraternity" house, you'll get great entertainment, not to mention a sore arm. Once you start watching, you won't be able to stop because you'll be hooked. So, check out cocodorm.com. You'll be very happy it's time to go back to school. ## TOMMY DEFENDI

Tommy Defendi is a newbie to the world of gay porn and is quickly becoming a fan favorite. At 19 years of age, this college student comes from Chicago and stands a commanding 6'1" and tells us, "aside from my teeth, I would say my 8 ½" penis would be my best physical feature. That is sad to say because I do workout five days a week (Laughs)." With his witty sense of humor and princely good looks, Defendi has a commanding sexual quality rarely found in such a young man.

He made his porn debut at College Dudes 247 and has recently inked an exclusive contract with Suite 703. "Suite 703 is amazing! I love everyone there. Our director Jim Steel is nothing short of AMAZING! Jason, Sharon, and everyone behind the camera are awesome and it would not be nearly the same without them! I am very excited for this great opportunity, and I hope you all login to Suite 703 and enjoy all the great porn being made by me and all the other great performers on the sites!"

Being a college student, Defendi says "The best part about being a student for me is the freedom to do what you please. I have a lot of fun classes, and I meet a lot of interesting people. Plus, I can pay tuition with the money I make from doing porn!" We asked him if he had any sexual fantasies about fraternity hazing, and we found out that he got to fulfill one on camera at College Dudes 247 - "Well, actually it's funny that you ask that. I have a scene with Aaron James where we are initiating a pledge into our fraternity. We tie him up and put a blindfold over his eyes...then have at it. The video shows it all on the site, and it was a blast making it."

One thing is for sure, this Italian stallion is one young man that we look forward to seeing a lot more. See Tommy's gallery on our website at [JustUsBoys.com/mag/119](http://JustUsBoys.com/mag/119)

## LATELYGAY.COM

LG IS A COMMUNITY WEBSITE dedicated to older gay men, and in particular, those who have come out in their middle or later years. "LG" is a forum for members to meet, share their experiences, offer advice to each other and gain support in the complicated world of the gay scene.

The gay community, too often, is the focus of the 18-30 set. What about the guys who are only coming to terms with their true sexuality in their 40s, 50s or 60s upwards? Too often, they arrive feeling like they're late for the party.

If this strikes a chord with you and sums up where you find yourself at this moment then, please, do come in and make yourself at home at latelygay.com.

## JOB PROFILE

# CollegeDudes247

When one thinks of college, it is hard not to think of the virile and sexually charged exuberance found in the young men on campuses across the country. After all, these young men are out on their own for the first time in their lives and they are exploring all that life has to offer - both in their studies and their extracurricular activities. Lucky for everyone who likes to see these 'Dudes' more intimately, CollegeDudes247.com launched January 1, 2007. The website celebrates the sexually charged energy of these men as they explore their desires and passions. In a market flooded with websites focused on the college aged male, CollegeDudes247 has quickly become one of the top producers of this genre today.

We sat down with Aaron Sherman and Abner

Castro, two of the original three founders of the website (Matt Vieques is the 3rd) to discuss the site. "All of us had been working our corporate jobs for many years and had discussed launching a site for about 10 years before we actually did it. At first, we all thought it would be a part time weekend thing. We did not realize the amount of work it would really take" indicated Sherman. "We quickly discovered that it was easier for us to recruit college aged dudes as models, and that is how we decided on the collegiate theme."

Currently, CollegeDudes247 is only available on the internet, but there are plans in the works to release content on DVD later this year. "We started out to be internet only because all of us had grown up with the web and really liked watch-

ing porn on the web. Two of us had worked on multi-million dollar website development projects previously, so for us it was a natural to be web based. Of course, none of us had experience with getting guys naked in front of cameras at first, so that was a learning curve to overcome - but a fun one!"

At just under two years old, CollegeDudes247 has grown tremendously. When asked what they attribute their success to, Sherman indicated "It surprises us all how quickly we grew and I do not think we expected it. We wanted to provide something that was a little different and fresh. We saw a need in the consumer marketplace for a site that promotes a positive attitude about sexuality. A lot of our competitors that feature the same age group focus on the 'Let's get a straight guy to have sex with another guy' thing. Although we have straight, gay and bi guys on our site, we do not make an issue out of it and rather we promote it as dudes just having fun. For us it is about portraying young dudes doing what feels good and just celebrating sexuality without all the labels."

CollegeDudes247 currently offers content updates twice a week with plans to increase that in the future. That means they are heavily focused on production and providing their members with new scenes on a consistent basis. "One of the nice things about being a web based business is that we can run a model by our members and if

they really like that model, we can get the model back very soon and get the scene up on the site quickly. Out of all the other producers I have talked to, I believe we have the shortest window of shoot date to release date."

In a market inundated with content, it is often hard for a website to meet their consumer demands and keep them coming back for more. However, at CollegeDudes247 their focus is listening to their members' needs and wants. In fact, members of the site can even post their comments about the models and scenes directly on the site. In addition, the models have the ability to respond directly to their fans through the web as well. "Our customer feedback is very important to us and is a big difference between us and our competition. I even have my AIM information on the site and members and non-members can IM me whenever I am online and speak directly with me and provide feedback, ask questions or whatever they want to talk about. Many of our models also have their own blogs on the site and send in updates every week of what is going on in their lives. Overall it is that interactivity that I think has set us apart in the industry and we really like getting the feedback from our members."

Finish the story, leave your feedback, and see all the guys from CollegeDudes247 at [JustUsBoys.com/mag/130](http://JustUsBoys.com/mag/130)
