MEN - WHATS HOT RIGHT NOW!

RandyBlue.com Gets A Facelift!

We've known former fashion photographer Randy Blue for quite a while now and have enjoyed watching his site grow into one of the premiere destinations for online male erotica. A few years ago, he took the skills he perfected in the world of fashion and began to apply them to his own unique brand of gay porn. It may be an unorthodox career path, but his experience and special touch really has given him an edge in shooting beautiful men. Randy uses every trick in the book to consistently get hot guys out of their clothes and into his videos, but there's no question that being based in L.A., a magnet for beautiful men, really helps.

This past month, Randy launched an updated site design that makes it even easier to navigate thru the beefcakes. And when it comes to viewing movies online, no one gives you as many choices. The quality of the video and photo content on Randy's site is second to none, but it's the gorgeous men that will draw you in and keeping you coming back for more.

RENTBOY WWW.RENTBOY.COM

This site is like an online Rolodex for those of us who like our men delivered hot and hard right to the door. An indispensable aid when traveling, Rentboy is the spot to find hot escorts and porn stars who are more than happy to break the monotony of those lonely nights away from home.

LUCASBLOG.COM WWW.LUCASBLOG.COM

The LucasBlog, featuring the opinions, snapshots, and ramblings of gay porn god Michael Lucas is one such blog. Sexy, witty, and very readable, the LucasBlog will keep you coming back for more.

STUDIO SPOTLIGHT...

DIRTYBOYVIDEO.COM

"The site is like a bridge between the exhibitionists and the voyeurs ... Sex really is everywhere. The guys we shoot are having fun, that's why they're doing it, and it shows in the video."

New York City has 8 million people crowded into 5 boroughs.

Dirty Boy Video has no problem finding guys there who will do just about anything without their clothes on. With all those guys, its not hard to find the ones with the nerves of steel who will exhibit themselves in the most public and craziest of places. We sat down with Nico from Dirty Boy Video for this exclusive interview...

JUB: Tell us what Dirty Boy Video is all about.

NICO: DirtyBoyVideo.com features the kind of underground movies that you know guys are out there shooting for themselves, but you would have no way of seeing them. Basements, stairwells, empty apartments, dark rooms, and even subway platforms are the backdrops for our shoots. The site is like a bridge between the exhibitionists and the voyeurs. It acknowledges that sex really is everywhere. The guys we shoot are having fun, that's why they're doing it, and it shows in the video. DirtyBoyVideo is sex stunts, hidden cams, sex dolls and initiations. It's a homemade version of those reality shows daring people to do crazy things. Only dirty!

JUB: How did you get started making videos?

NICO: We got started back in '97, when all the gay stuff online was just magazine scans of dudes with bad 80s hairstyles. Realizing that NYC is full of guys looking to show off, it just made sense to start shooting models ourselves. Of course we focused on finding the kinds of boys we like and had never seen in porn before. You know, kids with tattoos and piercings, working in record stores, copy shops and going to art school!

JUB: So how do you go about finding guys to be in your videos?

NICO: We place ads in the bar 'zines, online, and even tape flyers to lamp posts. You never know where the next hot boy might come from. Since we are always asking guys to do wacky stuff, there is good word of mouth about how fun and sexy it is to work with us.

JUB: Have you ever gotten caught filming somewhere you shouldn't have been?

NICO: We get asked this all the time because one of our most popular shoots took place on an active subway platform. That shoot is really engaging because the mode, Todd, is standing on the platform with his pants to his ankles and his shirt off and you can hear the train approaching. The camera rolls as Todd scrambles to get his pants up and you can hear the cameraman nervously saying, "Hurry up! Hurry Up!" Todd gets dressed just in time

as the crowded train pulls in to the station. We couldn't have planned it that way if we wanted to!

JUB: Tell our readers about the wildest thing that has happened on a shoot so far?

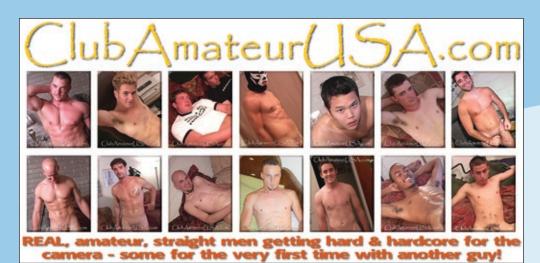

NICO: One of the wildest shoots we did was called "Plushie Schwartz Does Fire Island". The whole thing was intended as a parody of formulaic mainstream gay pornos. So we dressed a guy up in a ridiculous bear suit (with velcro flaps in the appropriate places) and shot a sex scene with him and a guy in a blue squid outfit. The season hadn't started yet, so we figured there would be very few people around. It turned out the one house that could see us was FULL of people, all of whom came out on the deck to watch! Worse, the plushie bear head was incredibly hot, and the model had to keep taking it off so he wouldn't pass out. Needless to say, this made it difficult to stay focused on the goal at hand. Then, when the model had his head off, one of the guys on the deck calls out, "Is that you, James?" And yes, James was the model's real name. He was a personal trainer, and he'd just been busted by one of his clients! The video came out great, though. We even spun it off to it's own website, www.plushieschwartz.com

JUB: What projects are you currently working on that we should be watching for?

NICO: We are putting together a new collection of shoots for our latest DVD, to be called, "Dared!" It will focus on sex stunts for cash, initiations, stuff caught on surveillance cams and even includes a blow up sheep!

JOCKS - WHATS HOT RIGHT NOW!

Got Frat? You Do Now!

Our pals over at FratMen.TV never cease to impress when it comes to the quality of the guys they talk out of their clothes.

Not only are these college boys at their sexual peak, but they are all so toned and tight. It's like they have come to the video shoot right after finishing up at Lacrosse practice. Be sure to check out Tyler and Landon, two of our recent favorites who light up the screen.

FratMen.tv is updated every week with a new freshfaced jock, so you are never too far away from new eye candy. In addition to the exclusive photos and videos, you can chat and interact with the models live, which for some of us, is the hottest temptation of all.

Finally, if you want to take the guys home with you, order up a DVD or two and bring the freshman fantasy right onto your 52" plasma.

PAT & SAM WWW.PATANDSAM.COM

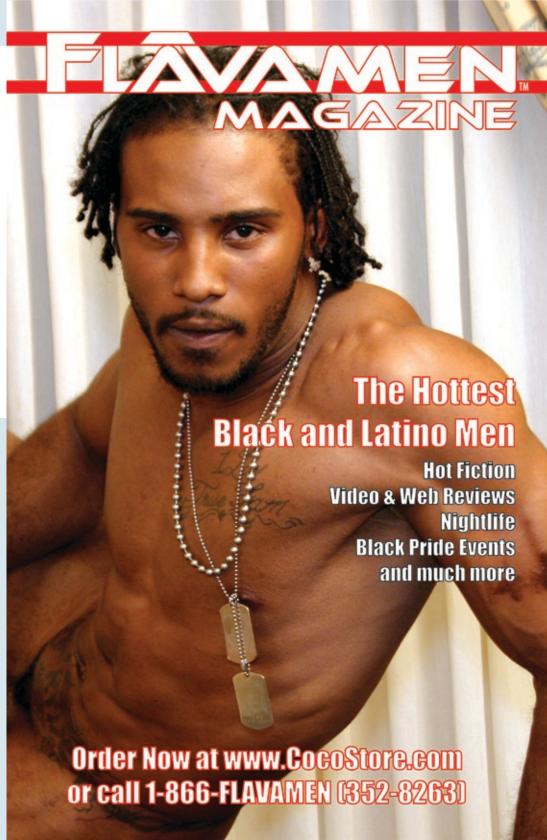

You've probably heard people refer to those sexy "corn fed" boys from the Midwestern U.S. right? Well, if they had an official web site, it would have to be Pat & Sam. When you are on the hunt for fresh faced amateur hunks (be sure not to miss the shockingly cute Tate) you can do no wrong with Pat & Sam. The site features online viewing or you can order DVD and VHS of these hot ass boys from next door.

The life and times of Ricardo and Slavco, two hot Hollywood types who blog about their hectic party schedules and run-ins with better known celebs. Slavco's claim to fame is his role on VH1's "Kept," while Ricardo got his start as a Power Ranger. Bottom line: they're both smokin' hot.

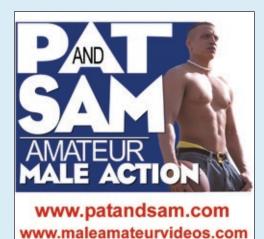

UP CIOSE AND PERSONAL WITH...

DAWSON

EXCLUSIVELY FROM:

Dawson from the Corbin Fisher web site is a spectacular All-American with a ripped and muscular body that turns heads wherever he goes. His piercingly gorgeous blue eyes and a priceless face only compliment what is below his pristine surface. His sparkling personality is an added bonus for this completely modest, down-to-earth and genuinely nice guy.

JUB: In your own words, tell us a little bit about yourself.

DAWSON: I grew up on a farm in the Midwest (You can't beat us corn fed boys). I was really big into sports and weight lifting through high school and I went to state in both track and football. I am also very open to new experiences.

JUB: How were you discovered by Corbin Fisher?

DAWSON: I was out searching for modeling opportunities online and found CorbinFisher.com. I've always been intrigued by porn, so I figured what the heck. After filling the application out, Corbin, himself, got back to me and asked if I'd like to do some work. Never in my wildest dreams would I have imagined doing what I am today, but I enjoy the work I do.

JUB: What do you like best about working in the adult industry?

DAWSON: My favorite part about working in the adult industry is there is no need for a cheesy pick-up line because no matter what I'm guaranteed to get in their pants! Ha-ha

JUB: What do you like to do for fun?

DAWSON: I am a very active person who loves a good workout. I am also a fan of fast cars and bikes. Something about driving fast and listening to the engine race gets me excited and wakes up the engine between my legs!

JUB: What is your favorite food?

DAWSON: I am pretty conscious about what I eat, but there is nothing better then a good old taco salad.

JUB: Tell us something about yourself that your fans may not know but they would be interested to find out?

DAWSON: Ha-ha I never thought I'd be the kind of person to have fans but if I do I am so very grateful for each and every one of them!

If the getting hard while driving fast thing wasn't enough information here's a little something else not many people know about me. I have to sleep naked! I absolutely cannot even wear socks to bed.

JUB: What's your most cherished possession?

DAWSON: I used to be very skinny and unattractive back in Junior High but I made a lot of changes in my life so I wouldn't look like that anymore. For all the hard work and dedication I cherish my body and self-determination the most.

A bit more about Dawson:

Dawson, age 19, considers himself to be straight, but he certainly seems to be branching out in his most recent videos.

Dawson started out
with two solo videos
on Corbin Fisher, but
he is now featured
in more than one
video doing things that
straight boys don't

typically do. Here are a few more details on Dawson...

Height: 5' 11" Weight: 165 Waist Size: 31 Shoe Size: 11

TWINKS - WHATS HOT RIGHT NOW!

From Montreal with Love

Married this past year in Montreal, our two cover boys really are in love, but who can blame us for fantasizing about how incredibly hot that wedding night must have been.

Ralph, 19 years old, is a relative newcomer to the world of gay porn, but his cute smile, upbeat personality, and seriously huge cock (trust us) have already earned him thousands of fans. Pierre, 24 years old, who seems to have been built for every one of Ralph's 9 inches, has been in the business for a while now and has a huge following.

Both of them have their own web sites, which are full of still photos and videos of their various performances. In addition, each does a regular webcam show to stay in touch with their fans.

BOY RIDE WWW.BOYRIDE.COM

There aren't very many spots on the Net to find real skater and surfer boys, so when you do, you bookmark. Boy Ride has a hot, exclusive collection of boys taking it all off and getting it hard on film. Some of these guys are so hot and hung you'll wonder how the heck they pack those things in a wetsuit in the first place.

BOY CRUSH WWW.BOYCRUSH.COM

If you're looking for something fresh, look no further than Boy Crush. The site has assembled a hot and growing collection of cute twink boys for his new site. All of the models have bios and Bryan takes great pleasure in pairing them up for the hardcore fun.

8TEEN BOY WWW.8TEENBOY.COM

When you've got Sammy Case on your site, you know it's going to be popular. Sammy's hot bod is all over 8teen Boy, but he doesn't have to carry the site all on his own. 8teen Boy is filled with hot scenes of young, smooth dudes going at it in every way you can imagine. Who's Hot & Who's Not

There's a new solo from Fratmen this week. Oh, and a hot duo from Corbin. Have you seen that new stud over on Randy Blue? It can certainly be difficult to keep up with everything going on in the world of gay porn these days. There are so many great sites releasing quality, exclusive content every week that it might seem like you need a spreadsheet to stay on track.

Thankfully, there are informative sites like Totally Hot Men keeping an eye on the "ins and outs" of the gay online scene for us. Everyday, THM points us toward something new and interesting from the plethora of sites they track. You'll find plenty of preview photos so you know exactly what you're getting before you click, and cruising through the archives can be an adventure in its own right. Everything is organized by category, but the blog style of the site keeps all of the new stuff right up front, so you don't have to dig for the latest men. Check out THM's "to do" list for guys they finding especially yummy.

FOOT FRIENDS WWW.FOOTFRIENDS.COM

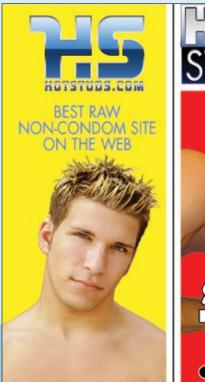

For the male foot fetish and tickling crowd, there's no better place to come together than Foot Friends, where you'll find the largest collection of feet, socks and tickling video and photo galleries on the web.

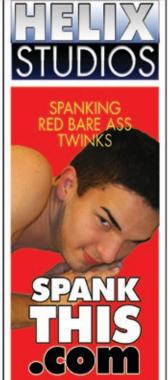

STUD MALL WWW.STUDMALL.COM

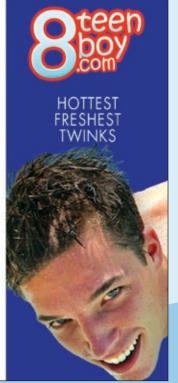

In keeping with the fetish theme, Stud Mall is a sure bet for those who've grown a bit bored with the plain vanilla of traditional gay porn.
